MEMORANDUM
 No. 08 s. 2024

TO : RDRRMC Response Agencies
 Chairperson, PDRRMCs
 Chairperson, MDRRMCs / CDRRMCs

SUBJECT : Adding Semana Santa 2024 for Incident Monitoring under
BLUE ALERT Status

DATE : March 18, 2024

The Regional Disaster Risk Reduction Management Operation Center (RDRRMOC) is currently on **BLUE ALERT Status** due to Mayon Volcano and Bulusan Volcano which are both on Alert Level 1. Considering the upcoming Holy Week, the RDRRMOC is adding **SEMANA SANTA 2024 for monitoring under Blue Alert Status** starting 21 March 2024 until 01 April 2024.

In this regard, Regional Line Agencies and Local DRRM should sustain response operations of their respective Operations Centers during the observance of Holy Week 2024.

The following should also be carried out:

1. Local Government Units must ensure that their Contingency Plan for Semana Santa 2024 must be in placed; National Government Agencies should ensure that their Operational Plan for Semana Santa 2024 is implemented down to their local units;
2. Undertake situation monitoring and submit reports to the RDRRMOC in case of incidents and other eventualities throughout the observance of Holy Week;
3. Ensure availability of technical staff and response personnel, especially for the Provincial and Local DRRMCs, in your operations center while ensuring the accessibility of your communication equipment including hotline numbers and e-mail addresses;
4. National Line Agencies should submit their Operational Plans for Semana Santa 2024;
5. All response agencies and PDRRMOs must submit their actions taken to RDRRMOC for the observance of Holy Week 2024.

Let us remain vigilant to ensure the peaceful observance of Semana Santa 2024.

For guidance and compliance.

 Chairperson, RDRRMC Bicol
