

ADVISORY No. s. 2024 March 22, 2024

In compliance with DepEd Order (DO) No. 8, s. 2013 this advisory is issued not for endorsement per DO 28, s. 2001, but only for the information of DepEd officials, personnel/staff, as well as the concerned public.

#### **INVITATION TO ABRASAHAN 2024**

The Engineering Mathematics and Science Society (EMSS) of Camarines Sur Polytechnic Colleges is inviting Junior High School and Senior High School students of private and public schools of the region to the ABRASAHAN 2024: EMSS Interscholastic Challenge and STEM Diving Depths: Water World Webinar on the following schedules:

### ABRASAHAN 2024: EMSS Interscholastic Challenge

Preliminary Round - April 12, 2024 Final Round - April 13, 2024

STEM Diving Depths: Water World Webinar (April 13, 2024)

Attached hereto is the letter containing the guidelines, mechanics, registration fee and deadline, and other details relative to the ABRASAHAN 2024.

Interested schools may contact Fernan Matthew Enimedez, event head of ABRASAHAN 2024 through abrasahan2022@gmail.com for other questions or clarifications.

Participation to this event is on **VOLUNTARY BASIS ONLY**.

For information.

Dear Sir/Madam:

Greetings from Camarines Sur Polytechnic Colleges!

Respectfully sending you the attached request letter for endorsement, together with the overall guidelines and mechanics for the said event. Looking forward to your most favorable response and action on this matter.

Kindly acknowledge receipt of this email.

Thank you and best regards!

## VISION

Polytechnic education at its best for the Bicolanos.

Transforming lives to be free of

# **REGISTRATION AND GENERAL GUIDELINES**

- 1. The ABRASAHAN 2024: EMSS Interscholastic Quiz Preliminary Round is open to all interested junior and senior high school students from private and public schools in the Philippines. Delegates from participating schools will be competing individually. Thus, the number of registered students from each school will not be limited.
- 2. For a student to register, a valid school ID and certificate of enrollment/registration form attesting to the qualification above [No.1] is required and must be attached in the registration link.
- 3. Granted that Qualification 1 and 2 is met, participants will pay a registration fee depending on their chosen package. DEPARTMENT OF
  - a) Package A P100.00 per participant [Solo]
  - b) Package B P90.00 per participant [Group of 5]
  - c) Package C P80.00 per participant [Group of 10]

Payments may be made thru the following:

- a) GCASH 09566429351 (Anne Vishna Cano)
- b) Landbank SA2777047550 (John Reynold Cabaltera Brioso)
- 4. Upon registering, payment should be made as the receipt or proof of payment is to be attached in the registration link.
- 5. The registration form can be accessed and filled in online via the link:

#### https://tinyurl.com/ABRASAHAN2024Challenge

A confirmation email including additional information and requirements needed for the quiz will be sent to participants who have successfully registered. The deadline for registration will be on April 1, 2024, at 11:59 PM. The completion of the form is highly recommended in order for a participant's e-certificate to be processed.

- 6. Participants are encouraged to like and follow the ABRASAHAN 2024 Facebook page to be kept updated and informed of event announcements.
- 7. Event guidelines and mechanics should be strictly followed by the participants, practicing proper online etiquette.
- 8. Posts related to the activity shall make use of the following hashtags to promote the event.

#ABRASAHAN2024

#EMSSIntersholasticQuiz

#STEMDivingDepths

9. All participants are also encouraged to attend the free webinar of ABRASAHAN 2024 - STEM Diving Depths: Water World Webinar at 8:00 AM dated April 13, 2024, same day as the Final Round. The registration link for the webinar is provided:

# https://tinyurl.com/ABRASAHANWebinar2024

10. Winners of the Preliminary Round will advance to the Final Round. They will be featured on the Engineering Mathematics and Science Society and ABRASAHAN 2024 Facebook page.

MISSION

CSPC commits to provide the highest standards in total customer satisfaction in accord with legal and other requirements to satisfy current and future needs of clients and stakeholders, uphold good governance conditions; and sustain the integrity of the environment and its resources through Continual improvement of its quality and environmental management system.

#### VISION

Polytechnic education at its best for the Bicolanos.

Transforming lives to be free of poverty by creating a better future through world class polytechnic education and technological innovation.

### QUIZ DETAILS AND MECHANICS

- 1. The contest shall have two (2) rounds: the Preliminary Round and the Final Round. The preliminary round will be participated by all students who successfully registered. Only the top 100 of the preliminary round participants will qualify and participate the final round. The Preliminary Round will be on April 12, 2024, and the Final Round will be on April 13, 2023; both rounds will commence at 1 P.M.
- 2. The interscholastic quiz, both preliminary and final rounds, has three levels; EASY, AVERAGE, and DIFFICULT with scoring as follows.

	Time Duration	Number of Questions	Weigh per Questions	Total Points
Easy	15 minutes	10 questions	2 points	10 points
Average	20 minutes	10 questions	3 points	30 points
Difficult	30 minutes	10 questions	4 points	40 points
		di 🔃 i seriore di Companiero de Companiero	Total Points:	90 points

- 3. Questions will come from the following areas: Algebra, Geometry, Statistics, Analytical Geometry, Trigonometry, Calculus, General Chemistry, and General Physics.
- 4. Both the preliminary and final rounds will utilize Quizizz as a platform to answer questions. In the PRELIMINARY ROUND, the quiz code will only be posted on the private group of all the participants created by the organizers and will be answered simultaneously. However, in the FINAL ROUND, Zoom Meeting will be used while answering the quiz as the code will now only appear in the occurring meeting. The participants must enter the meeting 30 minutes before the allocated time to ensure that only the qualified contenders are present to answer the questions.
- 5. Participants will have to use either a desktop or laptop (the use of mobile phones is discouraged as the questions may be displayed erroneously). Participants must have their own internet or data connection and must have their camera and microphone open throughout the QUIZ FINAL ROUND.
- 6. Each participant will have their assigned CLUSTERS upon entering the Quizizz link. There will be approximately fifty (50) people in each cluster. Be aware that all questions will be the same throughout all clusters, and that will administer the quiz simultaneously.
- 7. Each participant must have paper, a pen, and a scientific calculator for solving. Please refer to the list of allowed calculators below for your reference.
- 8. Each participant will start with a zero score in the final round's Easy Level. The Final Score for the Final Ranking will be based on the accumulated points throughout the quiz (Preliminary plus the Final Round scores).
- 9. All participants will have to wait for the signal from the Quiz Masters/Organizers before answering the questions.

Republic of the Philippines

# CAMARINES SUR POLYTECHNIC COLLEGES

Nabua, Camarines Sur Telefax (054) 288-4425 +63917-700-8259

www.cspc.edu.ph

OFFICE OF THE PRESIDENT

QUALITY AND ENVIRONMENTAL POLICY

CSPC commits to provide the highest standards in total customer satisfaction in accord with legal and other requirements to satisfy current and future needs of clients and stakeholders, uphold good governance conditions; and sustain the integrity of the environment and its resources through Continual improvement of its quality and environmental management system.

#### VISION

Polytechnic education at

its best for the Bicolanos.

MISSION

Transforming lives to be free of poverty by creating a better future through world class polytechnic education and technological innovation.

- 10. In the Final Round, questions and protests from participants regarding the answer to an item will only be entertained before the start of the next question. If a protest occurs, participants may address their concerns to the Quiz Master, who will convey them to the Board of Judges. The Board of Judges' decision is always final.
- 11. In case of a tie for the top 10 places, the tie will be broken through their score in Preliminary Round. The contestant who got the higher score will get the higher place. If they are still tied in the scores for the Preliminary Round, then the tie will be broken by the score in Final Round. If still, the tie is not broken, then a do-or-die question will be given. The first contestant who raises the correct answer to the board of judges will be considered the winner. The do-or-die question is not a multiple-choice
- 12. The organizers reserve the right to change all rules and guidelines for this event without prior notice. However, if such circumstance happens, the revised rules will be properly disseminated.
- 13. At the end of the EMSS ABRASAHAN 2023 Challenge.
  - A. Certificates of Participation shall be given to all the participants and coaches.
  - B. Certificates of Recognition and prizes will be given to:

Champion - Certificate of Recognition and 10,000 pesos 2nd Place - Certificate of Recognition and 7,500 pesos 3rd Place - Certificate of Recognition and 5,000 pesos Top 4-10 - Consolation Prizes

(Winners will receive the prizes within 3-7 days after the event)

14. Kindly fill out the evaluation form that will be sent by the facilitator after the quiz. Note: NO EVALUATION, NO CERTIFICATE.

#### ANSWER FORMAT

The format of the answer in a problem-solving problem should be rounded off to the nearest two (2) decimal places using accurate units, unless otherwise tangible or whole answers are required (i.e., 10 rabbits, 541 vehicles). Only the final answer may be rounded off, as rounding off intermediate numbers may generate enough error to make answers "incorrect." In some situations where questions require a certain format for the answer, the students should follow what is stated in that specific problem (i.e., two significant figures, fraction format, radical form, three decimal places). For identification-type questions, answers must be given completely and accurately spelled out, and acronyms will be considered wrong. Please follow these formatting guidelines to ensure that your answers will be considered correct.

March 18, 2024

Polytechnic education at Transforming lives to be free of

VISION

its best for the Bicolanos.

DR. GILBERT T. SADSAD

Regional Director Department of Education Rawis, Legazpi City

Dear Sir/Madam:

Greetings of peace and goodwill!

Expanding the horizons of knowledge, the Engineering Mathematics and Science Society as an academic organization of Camarines Sur Polytechnic Colleges is in a continuous journey, molding foundations of academic excellence built through various activities and programs. Improving the acquisition of ideas within the scope of science, technology, engineering, and mathematics (STEM), the organization goes beyond the institution's fences, reaching out to students outside the tertiary education. With this, ABRASAHAN was founded and has been conducted by the organization for two years now.

ABRASAHAN is EMSS's flagship national event consisting of two major components, the STEM Quiz and Webinar. This is participated in by **junior high school and senior high school students nationwide** seeking prowess development in the engineering and sciences fields. The event serves as a platform for students to gain competitive experience while attaining learnings on aligned specified professions.

Challenging the mathematical and scientific prowess of the participants, ABRASAHAN 2024: EMSS Interscholastic Challenge is to be conducted on April 12, 2024, and April 13, 2024, as ABRASAHAN 2024's major component. Focusing on the preservation and protection of the marine environment, STEM Diving Depths: Water World Webinar is to be conducted on April 13, 2024. The component will feature speakers in the field of sanitary engineering and marine science tackling topics on marine ecosystems in the context of their specialized area of research.

In line with this, the undersigned is requesting from your good office to endorse this event to the public and private secondary schools under your supervisions. Your assistance in this matter will be extremely beneficial to the achievement of the commitment that is a part of every activity we undertake for our fellow students and the community.

Attached herewith are the guidelines and mechanics of the ABRASAHAN: EMSS Interscholastic Quiz 2024.

MISSION

Transforming lives to be free of

poverty by creating a better future through world class

polytechnic education and technological innovation.

PRELIMINARY ROUND April 12, 2024 | 1:00 PM - 6:00 PM PHST

FINAL ROUND April 13, 2024 | 1:00 PM - 6:00 PM PHST

Water World Webinar April 13, 2024 | 8:00 AM - 12:00 PM PHST

# MESSAGE FROM THE ABRASAHAN HEAD

It is by nature that we find ourselves questioning what we perceive. Through that curiosity, we try to discover and go beyond our horizons. It is by following where our feet take us that we are continuously challenged of what we consider unknown. Diving deep, our wisdom grow as we face stronger waves.

ABRASAHAN has been the submarine taking students on an exploration to discover knowledge and hone their skills to reach their fullest potential. It has brought those who are afraid to step out of their zones into a landscape where they can show their prowess and improve it leading them to academic excellence. This water transport will again be traveling and is now on a look out for new passengers.

With the goal of achieving academic excellence through promoting developing analytic and logical reasoning, and mastering intellectual skills, the Engineering Mathematics and Science Society (EMSS) made ABRASAHAN to life for junior and senior high school students around the country to experience a new challenge. On its third year, ABRASAHAN 2024 Interscholastic Quiz and Water World Webinar are anchored on the theme "STEM Diving Depths".

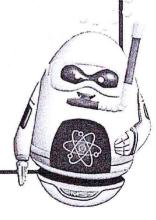

As one of the participants of the first ever ABRASAHAN, I can attest that it is an opportunity not worth of losing. It will open your eyes to new concepts which will equip you comes pursuing science, technology, engineering, and mathematics (STEM) fields in the future. Aside from prizes to win, the competitive adventure and mastery are to be acquired.

On behalf of Engineering Mathematics and Science Society, I invite you to join us in this incredible journey towards the deep blue sea. Set on April 12-13, 2024, take part on a never before escapade where underwater mysteries unfold, and treasures of ideas will be found. Be up for the challenge and see you on our voyage.

FERNAN MATTHEW ENIMEDEZ ABRASAHAN 2024 Head

# **EVENT DESCRIPTION**

Expanding the horizons of knowledge, the Engineering Mathematics and Science Society as an academic organization of Camarines Sur Polytechnic Colleges is in a continuous journey, molding foundations of academic excellence built through various activities and programs. Improving the acquisition of ideas within the scope of science, technology, engineering, and mathematics, the organization goes beyond the institution's fences, reaching out to students outside the tertiary education. With this, ABRASAHAN was founded and has been conducted by the organization for two years now.

ABRASAHAN is EMSS's flagship national event consisting of two major components, the STEM Quiz and Webinar. This is participated by junior high school and senior high school students nationwide seeking prowess development in the engineering and sciences fields. The event serves as a platform for students to gain competitive experience while attaining learnings on aligned specified professions.

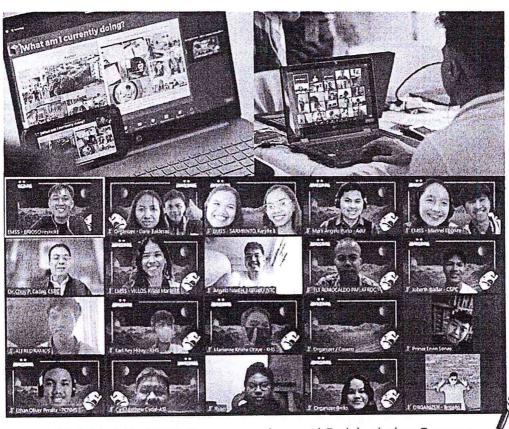

Challenging the mathematical and scientific prowess of the participants, ABRASAHAN 2024: EMSS Interscholastic Quiz is to be conducted by the Engineering Mathematics and Science Society on April 12-13, 2024, as ABRASAHAN 2024's major component. The Preliminary Round will be on April 12, 2024, while the Final Round on April 13, 2024, both at 1 P.M. to be held via the Quizizz App and Zoom, the delegates' knowledge, skills, and techniques on various topics will be tested as they compete in a battle of the best against their coqualifiers.

Focusing on the preservation and protection of the marine environment, STEM Diving Depths: Water World Webinar is to be conducted by on April 13, 2024. The component will feature speakers in the field of sanitary engineering and marine science tackling topics on marine ecosystems in the context of their specialized area of research. This webinar will be an eye-opener to Filipino students with environmental awareness as a takeaway paving the way for the said fields to be introduced.

1 | ABRASAHAN 2024

# **GOALS AND OBJECTIVES**

- Provide an improved academic knowledge acquisition on science, technology, engineering, and mathematics.
- Create a platform for students to gauge their logical abilities, analytical skills, and intellectual capacities.
- Develop students' problem-solving techniques and approaches as the theories in the domains of Algebra, Geometry, Statistics, Analytical Geometry, Trigonometry, Calculus, General Chemistry, and General Physics are applied.
- Prompt an open discussion among students and speakers on various fields that they may take and pursue as they enter the realm of tertiary education.
- Nurture students' competitiveness within a healthy battling environment.
- Promote the vision, mission, and goals of the organization to other organizations eyeing external linkages and partnership in the future.

- 1. The ABRASAHAN 2024: EMSS Interscholastic Quiz Preliminary Round is open to all interested junior and senior high school students from private and public schools in the Philippines. Delegates from participating schools will be competing individually. Thus, the number of registered students from each school will not be limited.
- 2. For a student to register, a valid school ID and certificate of enrollment/registration form attesting to the qualification above [No.1] is required and must be attached in the registration link.
- 3. Granted that Qualification 1 and 2 is met, participants will pay a registration fee depending on their chosen package.
  - a) Package A P100.00 per participant [Solo]
  - b) Package B P90.00 per participant [Group of 5]
  - c) Package C P80.00 per participant [Group of 10]

Payments may be made thru the following:

- a) GCASH Anne Vishna Cano | 09566429351
- 4. Upon registering, payment should be made as the receipt or proof of payment is to be attached in the registration link.
- 5. The registration form can be accessed and filled in online via the link: <a href="https://tinyurl.com/ABRASAHAN2024Challenge">https://tinyurl.com/ABRASAHAN2024Challenge</a>
  A confirmation email including additional information and requirements needed for the quiz will be sent to participants who have successfully registered. The deadline for registration will be on April 1, 2024, at 11:59 PM. The completion of the form is highly recommended in order for a participant's e-certificate to be processed.
- 6. Participants are encouraged to like and follow the ABRASAHAN 2024 Facebook page to be kept updated and informed of event announcements.
- 7. Event guidelines and mechanics should be strictly followed by the participants, practicing proper online etiquette.
- 8. Posts related to the activity shall make use of the following hashtags to promote the event.

#ABRASAHAN2024

#EMSSIntersholasticChallenge

#STEMDivingDepths

# **REGISTRATION AND GUIDELINES**

9. All participants are also encouraged to attend the free webinar of ABRASAHAN 2024 – **STEM Diving Depths: Water World Webinar** at 8:00 AM dated April 13, 2024, same day as the Final Round. The registration link for the webinar is provided:

# https://tinyurl.com/ABRASAHANWebinar2024

10. Winners of the Preliminary Round will advance to the Final Round. They will be featured on the Engineering Mathematics and Science Society and ABRASAHAN 2024 Facebook page.

# **QUIZ DETAILS AND MECHANICS**

- 1. The contest shall have two (2) rounds: the **Preliminary Round** and the **Final Round**. The preliminary round will be participated by all students who successfully registered. Only the top 100 of the preliminary round participants will qualify and participate the final round. The Preliminary Round will be on April 12, 2024, and the Final Round will be on April 13, 2023; both rounds will commence at 1 P.M.
- 2. The interscholastic quiz, both preliminary and final rounds, has three levels: EASY, AVERAGE, and DIFFICULT with scoring as follows.

	Time Duration	Number of Questions	Weigh per Questions	Total Points
Easy	15 minutes	10 questions	2 points	10 points
Average	20 minutes	10 questions	3 points	30 points
Difficult	30 minutes	10 questions	4 points	40 points
			<b>Total Points:</b>	90 points

- Questions will come from the following areas: Algebra, Geometry, Statistics, Analytical Geometry, Trigonometry, Calculus, General Chemistry, and General Physics.
- 4. Both the preliminary and final rounds will utilize Quizizz as a platform to answer questions. In the PRELIMINARY ROUND, the quiz code will only be posted on the private group of all the participants created by the organizers and will be answered simultaneously.

# **QUIZ DETAILS AND MECHANICS**

However, in the FINAL ROUND, Zoom Meeting will be used while answering the quiz as the code will now only appear in the occurring meeting. The participants must enter the meeting 30 minutes before the allocated time to ensure that only the qualified contenders are present to answer the questions.

- 5. Participants will have to use either a desktop or laptop (the use of mobile phones is discouraged as the questions may be displayed erroneously). Participants must have their own internet or data connection and must have their camera and microphone open throughout the QUIZ FINAL ROUND.
- 6. Each participant will have their assigned CLUSTERS upon entering the Quizizz link. There will be approximately fifty (50) people in each cluster. Be aware that all questions will be the same throughout all clusters, and that will administer the quiz simultaneously.
- 7. Each participant must have paper, a pen, and a scientific calculator for solving. Please refer to the list of allowed calculators below for your reference.
- 8. Each participant will start with a zero score in the final round's Easy Level. The Final Score for the Final Ranking will be based on the accumulated points throughout the quiz (Preliminary plus the Final Round scores).
- 9. All participants will have to wait for the signal from the Quiz Masters/Organizers before answering the questions.
- 10. In the Final Round, questions and protests from participants regarding the answer to an item will only be entertained before the start of the next question. If a protest occurs, participants may address their concerns to the Quiz Master, who will convey them to the Board of Judges. The Board of Judges' decision is always final.
- 11. In case of a tie for the top 10 places, the tie will be broken through their score in the Preliminary Round. The contestant who got the higher score will get the higher place. If they are still tied in the scores for the Preliminary Round, then the tie will be broken by the score in Final Round.

# **REGISTRATION AND GUIDELINES**

If still, the tie is not broken, then a do-or-die question will be given. The first contestant who raises the correct answer to the board of judges will be considered the winner. The do-or-die question is not a multiple-choice question.

- 12. The organizers reserve the right to change all rules and guidelines for this event without prior notice. However, if such circumstance happens, the revised rules will be properly disseminated.
- 13. At the end of the EMSS ABRASAHAN 2023 Challenge.
  - A. Certificates of Participation shall be given to all the participants and coaches.
  - B. Certificates of Recognition and prizes will be given to: Champion - Certificate of Recognition and 10,000 pesos 2nd Place - Certificate of Recognition and 7,500 pesos 3rd Place - Certificate of Recognition and 5,000 pesos Top 4-10 - Consolation Prizes

(Winners will receive the prizes within 3-7 days after the event)

14. Kindly fill out the evaluation form that will be sent by the facilitator after the quiz. Note: **NO EVALUATION, NO CERTIFICATE**.

#### **ANSWER FORMAT**

The format of the answer in a problem-solving problem should be rounded off to the nearest two (2) decimal places using accurate units, unless otherwise tangible or whole answers are required (i.e., 10 rabbits, 541 vehicles). Only the final result may be rounded off, as rounding off intermediate numbers may generate enough error to make answers "incorrect." In some situations where questions require a certain format for the answer, the students should follow what is stated in that specific problem (i.e., two significant figures, fraction format, radical form, three decimal places). For identification-type questions, answers must be given completely and accurately spelled out, and acronyms will be considered wrong. Please follow these formatting guidelines to ensure that your answers will be considered correct.

# **ABRASAHAN MINI QUIZ**

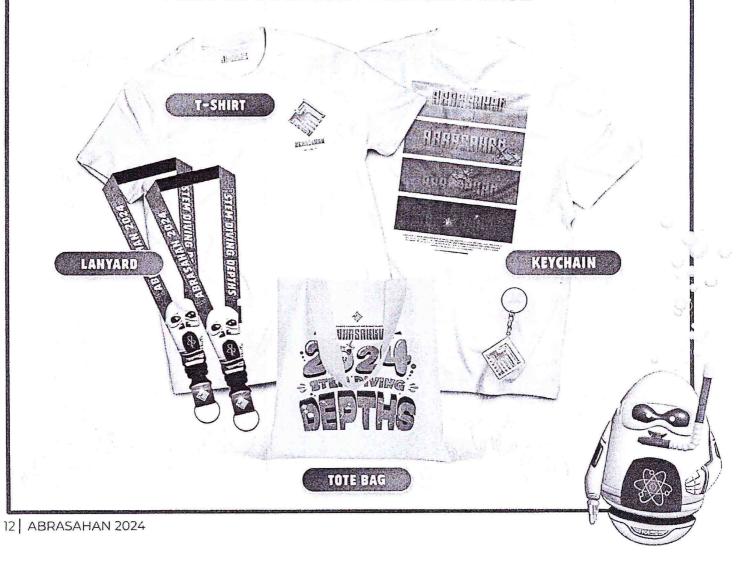

The Abrasahan Mini Quizzes are sub-events formulated for mathletes and science enthusiasts to showcase their skills in problem solving and virtually engage with others as they wait for the EMSS Interscholastic Challenge and STEM Diving Depths: Water World Webinar. As they answer questions, they will be given a chance to be chosen by a randomizer within a pool of names of those who answered the questions correctly to win prizes such as the ABRASAHAN 2024 merchandise bundle (1 shirt and 1 tote bag). It is free and open to all interested individuals even for those not registered in the main events.

# **ABRASAHAN MINI QUIZ**

To participate in the mini quiz, the steps below should be followed.

- 1. Like the ABRASAHAN 2024 Facebook page (fb.com/abrasahan2024).
- 2. Mention at least five high school students (senior and junior) in the posts' comment section.
- 3. Share the Facebook Mini Quiz post publicly with the hashtags: #ABRASAHAN2024 #EMSSInterscholasticChalllenge #STEMDivingDepths
- 4. Message your answers and solutions to the ABRASAHAN 2024 Facebook page (fb.com/abrasahan2024) before a given deadline.
