GILBERT T. SADSAD, CESO III

Regional Director, DepEd ROV-Bicol
Legazpi City, Philippines

Cheers of Goodwill and Compassion!

I am writing on behalf of **Dr. Emilio B. Espinosa Sr. Memorial State College of Agriculture and Technology (DEBESMSCAT)** in Cabitan, Mandaon, Masbate, Philippines. We are spearheading the **first multidisciplinary international research and extension conference** entitled the **1st International Research Opportunities, Developments, and Extension Outcomes (IRODEO) Conference 2024 on April 10-12, 2024**. The theme of our conference is *"Bridging Horizons: Integrating Knowledge for Sustainable Futures."*

This great endeavor coincides with the Rodeo Festival of Masbate, offering a unique and enriching experience for participants. Masbate province is renowned as the Rodeo Capital of the Philippines, hosting the annual Masbate Rodeo Festival, a vibrant celebration that showcases traditional cowboy skills and horsemanship. The 1st IRODEO Conference 2024 will allow attendees to engage in intellectual discussions and presentations while immersing themselves in the vibrant cultural festivities of the Rodeo, fostering a dynamic blend of academic exchange and local celebration.

We are seeking the endorsement of the Department of Education (DepEd) Regional Office V (ROV) Bicol for our event. Your endorsement would not only lend credibility to our conference but also help us reach a wider audience, thereby promoting academic exchange and cultural appreciation on a larger scale. The conference caters the action research and innovation conducted by basic education teachers with impactful results to the academic community.

We would like to invite our prospective participants to present their novel paper at the conference or participate as an observer. The registration fee is PhP1,500 for early bird online participants; PhP2,000 for regular online participants; PhP5,500 for early bird onsite participants; and PhP6,000 for regular onsite participants. Please see the attached conference details, guidelines, and tentative program for your reference.

The submission of the abstract will be until February 12, 2024 at https://bit.ly/IRODEO2024_Abstract. Notification of acceptance will be on February 28, 2024. You may also visit our FB Page for further information and updates. For any inquiries about the conference you can send an email at irodeomasbate@debesmscat.edu.ph or through SMS/phone call at +639101191075.

Please see the attached files for the Conference Information. Thank you for considering our request. We look forward to your positive response.

International Research Opportunities, Development and Extension Outcomes

RATIONALE

The **1st International Research Opportunities, Developments, And Extension Outcomes (I-RODEO) Conference 2024** is a significant effort that aims to be inclusive and will engage participants from various institutions and aligns with the celebration of the RODEO in the Province of Masbate. Emphasizing gender and development components, the conference provides a platform to showcase research projects on a global stage.

This multi-disciplinary international research and extension conference signify a commendable endeavor that engages faculty, researchers, practitioners, students, and professionals across diverse institutions. Beyond its academic significance, this event is poised to resonate with the vibrant celebration of the RODEO in the Province of Masbate, thereby imbuing it with cultural and regional dimensions. Moreover, it endeavors to incorporate gender and development components, acknowledging the nuanced intersections of research, culture, and societal progress.

The 1st I-RODEO 2024 Conference has a theme: **"Bridging Horizons: Integrating Knowledge for Sustainable Futures,"** which is aligned with the college's mission to forge enduring partnerships with local and international institutions. Rooted in academic, research, production, and community-based extension, this conference aims to unite scholars, researchers, and experts from diverse disciplines. Its goal is to foster collaboration, exchange knowledge, and address global challenges through innovative and interdisciplinary approaches.

IRODEO 2024 stands as a beacon for progress in research spanning multiple fields. The conference is designed to highlight original and creative approaches, methodologies, and discoveries contributing to the advancement of targeted areas of study. By encompassing various disciplines and attracting participants from around the world, the conference's primary objective is to showcase, deliberate, and disseminate knowledge that transcends disciplinary boundaries. This inclusive approach seeks to establish connections among diverse groups of scholars, promote collaboration among researchers, and facilitate the dissemination of recently uncovered knowledge and exemplary practices. Through the integration of gender and development components, the conference aims to contribute not only to academic discourse but also to the broader socio-cultural and regional development context, embodying a holistic and impactful initiative.

1st IRODEO Con 2024

International Research Opportunities, Development and Extension Outcomes

CONFERENCE OBJECTIVES

1. Showcase cutting-edge research across multiple disciplines.
2. Provide a platform for the exchange of ideas and methodologies.
3. Encourage discussions on emerging trends and challenges in different fields.
4. Facilitate cross-disciplinary collaboration and networking among researchers.
5. Foster the development of collaborative research initiatives.

KEY CONCEPTS

Interdisciplinary Synergy

Encouraging participants to explore collaborative efforts that transcend traditional disciplinary boundaries, fostering the emergence of new ideas and solutions.

Collaborations Across Disciplines

Highlighting the interconnectedness of various fields in contributing to sustainable development, encompassing economic, social, environmental, and technological aspects.

Innovative Research Opportunities

Emphasizing the exploration of novel avenues and opportunities for research that emerge from the convergence of different disciplines.

Global Perspectives

Recognizing the importance of diverse perspectives and experiences in addressing global challenges and promoting inclusivity in research and extension activities.

Future-Ready Solutions

Encouraging the development of research outcomes and extension initiatives that are forward-looking, adaptable, and contribute to the long-term well-being of society.

Application in Tracks

The theme can be applied across the various conference tracks, encouraging presenters to incorporate the principles of bridging horizons and integrating knowledge in their research and extension work. Each track can explore how their specific area contributes to building a sustainable future through collaboration and innovation.

Visual Representation

Consider incorporating imagery that symbolizes connectivity, collaboration, and sustainability. An image of a bridge connecting diverse landscapes or elements representing various disciplines coming together could visually reinforce the theme.

International Research Opportunities, Development and Extension Outcomes

Impact

The theme "Bridging Horizons: Integrating Knowledge for Sustainable Futures" aims to inspire participants to think beyond the boundaries of their disciplines, fostering a collaborative and forward-thinking mindset. This theme aligns well with the goals of the 1st International Research Opportunities, Developments, and Emerging Outcomes (IRODEO) 2024 conference, creating a platform for meaningful discussions, knowledge exchange, and the development of innovative solutions for a sustainable future.
