DR. SUSAN S. COLLANO  
Schools Division Superintendent  
Division of Naga City  
Department of Education

Dear Dr. Collano,

Greetings!

We are pleased to inform you that Security Bank Foundation, Inc. 48 partner junior high and integrated schools nationwide are qualified to participate in its **Three-Year Training for Junior High School Science Teachers** under the **Mentoring Future Leaders for Nation-Building Program**. This is a complement to our Build a School, Build a Nation Program where we provide much-needed classrooms to public schools while giving their teachers and school principals free training programs. We happen to have classroom beneficiary high school/s in your Division.

In line with this Junior High School Science Training to be offered by SBFI to its partner schools with first in-person training to be conducted on **July 22-26, 2024** at **Dasmarinas, Cavite**, may we request your Office to ask the principals of junior high schools with SBFI school buildings to nominate **1** qualified Science Master/Senior Teacher to apply for the program on or before **April 12, 2024**. This is aligned with our Memorandum of Agreement for the donation of classrooms where "DepEd Division Office, shall ensure participation of the beneficiary school's principal and teachers in the implementation of the training and enrichment programs of ADMU/DLSP and other SBFI partners for the upliftment of the academic performance and holistic development of the students".

Online application form and other training details may be accessed at [www.securitybank.com/mentoring-future-leaders](http://www.securitybank.com/mentoring-future-leaders). Key details of the training program are also attached here as Annex A. Note that SBFI will shoulder the hotel accommodation, land, air, and sea transportation, travel insurance, and meals expenses of accepted applicants for the in-person training sessions. Please see Annex B for the complete list of partner schools.

In as much as we would like to accommodate all 48 partner schools, only **30 slots** are offered. Hence, we encourage that the qualified teachers submit their complete application requirements as soon as possible as applicants will be accepted on a first come, first served basis.

Very truly yours,

MELISSA R. AQUINO  
Trustee and Corporate Secretary
