Dear Sir Sadsad,

Greetings!

Korean Class with Joshua Cho is a non-profit organization that strives to teach many Filipinos interested in learning the Korean language and culture for free. More than 500,000 students who registered and completed the course that began in 2020 have received weekly interactive Korean language lessons on various levels from Batches 1 to 10.

In line with this, we are thrilled to announce that we are going to open Batch 11 of our FREE Korean Class with Joshua Cho. As a highlight, five outstanding students will be chosen to experience a 3-month immersion in South Korea's language and culture.

We are excited to present a collaborative opportunity following the Special Program in Foreign Language (SPFL) initiated by the Department of Education. Our proposal involves establishing a partnership to offer an exclusive Korean Language Class at **no cost** to students in your region. This program is designed to significantly contribute to their Korean language acquisition, aligning with the objectives of SPFL. We firmly believe that this initiative will greatly benefit the student's language learning journey. We look forward to discussing the potential collaboration further.

Should you have any queries, please feel free to contact us at **0953 790 0353** or email at talkjcho@gmail.com

We hope for your kind and favorable support in this endeavor. God bless and more power!

Yours sincerely,

JOSHUA CHO
