Dear Maam,

I hope this letter finds you in good health. This is Rhagila Tan, Manager of AXA Philippines, I am writing to express our sincere interest to provide protection and financial learning through our program. We aim to offer valuable education and protection to parents and students and other members. This program aims to accelerate awareness and protection for each students and teachers within Sta. Cruz Elementary School.

As we continue to strive education and holistic development, we believe that protection and learning is essential. We plan to conduct a series of discussion and financial literacy and discussion focusing on topic of protection.

We would like to our expertise and resources to your local reach, create a positive impact in the lives of the teachers, students and parents by equipping them with necessary knowledge and protection.

The proposed Program Includes:

Educational workshops: Conducting Interactive workshops on Financial Literacy topics, tailored to the needs of the school. These sessions will be delivered by experienced professional from our team.,

One-on-one Consultations: Offering personalized financial consultations to the circumstances.

Detail of Meetings and program:

Meeting Schedule: Meeting schedule will be approximately an hour and a half and will be conducted in a virtual, in person or remote participation.

Audience: Parents, Teachers, and other schools staffs and administrators, janitor or helpers, who wish to enhance their financial learning and support students.

Resources: With this, we humbly request for an approval to have a suitable access and meeting space within the school.

We believe that by joining forces, our organizations can significantly contribute to the reputation of the school. WE kindly request your approval and support in initiating this program. We value your insight and value additional idea to align with the needs and aspiration of the school.

We are excited about the potential of this initiative and look forward to the possibility of the working together to improve the financial literacy and protection of the students and teacher's well-being.
