Susan S. Collano CESO V
Schools Division Superintendent
DepEd Division of Naga City

Dear Ma'am Collano,

Greetings!

Nature is a multi-dimensional expression and works of God that supports life. We need to breathe clean air, consume clean water and plant to uncontaminated soil.

INARIHAN FARM RESORT is a gateway for people to relax, unwind and reconnect with nature. Being with the nature, by walking and seeing the majestic Mahogany trees, looking and swimming with the refreshing, clean and free flowing river, surely, you will experience the goodness and grace of God.

In this regard, **INARIHAN FARM RESORT** will be launching a new program as the "**Environment and Nature Learning Site**" on March 8, 2024, Friday at 9:00AM at Building 1 Activity Area. This aims to serve as the extension for learning not only to all students from various schools and universities both private and public especially here in Naga city but also to the general public. The farm will give them a real experience of joy, fun, excitement and love for nature and God. Along with this event, we also have a **tree planting, farm tour and free lunch**.

As the schools division superintendent, I am glad to invite you to come and join this momentous event together with all the principals, school heads and selected teachers both Elementary and High school. I hope to see you all. Thank you very much for your love and support in this endeavor.

Sincerely,

JAIME E. BADONG
