#### So what do our A Guide to Strategic Thinking Learners say?

"I enjoyed the course and learnt a lot. Trainer was a very able trainer with a great manner ensuring everyone was able to ask any questions they needed to and to receive a comprehensive response." **Lincolnshire County Council**

"The programme was excellent. Very relatable to my job and I could see how I could put some of this to immediate use to address concerns about a project I've been asked to sponsor. The trainer was excellent and the session was delivered extremely well. Maybe as good if not better than face to face learning." **Department for Work and Pensions**

"Clearly an excellent trainer - I think in addition to the Strategic Thinking skills I've learned a few tips about presenting and engaging with an audience!" **University of Oxford**

"I thought the course was really interesting and that the trainer managed to get through a great deal of material. His delivery was excellent - really clear and engaging." **Standards Commission for Scotland**

"Excellent programme with key takeaways that will impact my approach to strategic planning and thinking about high-level organisational change." **Financial Services Commission, Barbados**

"I am walking away with a rich set of tools and methods." **Ofgem**

### **Government Exchange**
