Attached herewith are the details of the Proposed Program of Activities for your perusal.

The program aimed to disseminate and equip our educators of a more concrete base information on culture and arts from the experts/resource persons with distinguished body of artistic works and establish credibility as artistic trainers.

Furthermore, this training is grounded in **Kto12** curriculum that seeks to impart the Disciplined-base Art Education [DBAE] approach for developing the performing arts instruction in the formal schools. We are confident that this program will merit your kind approval for the enhancement of our educators.
