Dear Director,

Warm greetings!

Global League of Winners, Inc. (GLOW) is a non-stock and non-profit organization, with Securities and Exchange Commission (SEC) Registration No. 2021110033940-15, that is committed to equip our young learners with the academic skills and mindset to thrive on the competitive world through extensive trainings and international contests. To attain this mission, GLOW partnered with Copernicus Olympiad based in Richmond, Texas, United States of America.

GLOW and Copernicus Olympiad share a common ground in mission and vision, which is to foster the academic skills of Filipino learners and allow them to showcase their full potential. In connection with this, we cordially invite schools under your jurisdiction to encourage their learners to join and compete in the competitions listed below. These are open to the 3rd grade – 12th grade learners. Preliminary rounds will be held online while the Global Rounds will be conducted onsite in USA on the given dates

Dear Students, Supervisors, and School Officials,

We are thrilled to invite you to participate in the 6th Copernicus Olympiad, an international competition designed to inspire and challenge the next generation of young scientists, mathematicians, and entrepreneurs. Our mission is to cultivate a passion for learning and innovation among students worldwide.

About the Copernicus Olympiad: The Copernicus Olympiad is an annual event that brings together bright minds from around the globe to compete in various disciplines. For our 6th edition, we are excited to announce the following categories:

- Natural Science Olympiad
- Physics & Astronomy Olympiad
- Copernicus Entrepreneurship Olympiad (CEO)
- Mathematics Olympiad

Why Participate? Participating in the Copernicus Olympiad offers students the opportunity to:

- Test their knowledge and skills in a competitive environment
- Connect with peers from different countries and cultures
- Showcase their talents on an international stage
- Receive recognition and awards for their achievements

Event Details:

- The Copernicus Olympiad consists of two rounds: the Preliminary Round and the Global Round.
- The Preliminary Round will be conducted online.
- Exams will be available in four languages: English, Russian, Spanish, and French.
- Qualified students will be invited to participate in the Global Round.

Registration: We encourage both new schools and returning participants to register for the 6th Copernicus Olympiad. Detailed information about the syllabus, registration process, and important dates can be found on our official website: www.copernicusolympiad.us. Prepare your students for the Preliminary Round using the resources provided on our site.

For a glimpse of the Global Round experience, visit our YouTube channel to view highlights from past events.

If you have any questions, please feel free to reach out to us at support@copernicusolympiad.us. We are here to assist you with any inquiries.

We look forward to your participation in the 6th Copernicus Olympiad. Together, let's inspire and nurture the scientific talents of tomorrow!

Best regards,

Abbos Kurbonov

President Copernicus Olympiad
