Dear Director Sadsad:

I hope this letter finds you in good health and in good spirits.

The Reading Association of the Philippines (RAP), national affiliate of the International Literacy Association, is a professional organization advocating the love for reading through empowering readers, parents, and teachers.

RAP organizes two national professional events to provide Filipino teachers with opportunities for growth in teaching reading and writing. The first is the international and national convention highlighting research on literacy, and the second is the national **demonstration festival** (Demofest) underscoring best teaching practices through teaching demonstration. The participants to these events are teachers, community leaders, administrators, and literacy advocates.

This year's **51st National Demofest** will be held from **November 9-11, 2023** at **Aklan State University, Banga Campus**. The theme for the Demofest is "Pathways to Learning Recovery through Effective Literacy Education."

With this, I would like to respectfully and humbly implore your good and respectable office to issue an advisory or endorsement inviting teachers to share their best practices through a teaching demonstration during the said Demofest. The registration fee is Php4,500.00 for non-members and Php4,000.00 for members, early birds, and demonstrators.

The link below is for those who would like to submit a lesson plan or a poster:
