Because of the exemplary performance of students in the PhIMO Heat Round, we would like to sponsor **ONE (1) student of your choice** to join the PhIMO Final Round. The registration fee will be completely covered if the student chooses to attend **onsite** or he/she can opt to attend **online**. The deadline to submit the student's name is on or before **July 31, 2024**. You can accomplish this by filling out the following form: <https://form.jotform.com/motlijolinks/phimo-2024-final-round-scholars-reg>

We would also like to invite you **REGIONAL DIRECTOR DR. GILBERT T. SADSAD OR MATH REGIONAL SUPERVISOR LOYD H. BOTOR** to attend the onsite **PhIMO Finals 2024** which will be held on **September 20-23, 2024** at the **EVM Convention Center, Quezon City, Philippines**.

We believe this is a great opportunity for students to develop their mathematical skills and for educators to learn more about the PhIMO program. We look forward to your generous support and positive response. We are passionate about helping talented elementary and secondary school students around the country who may not have the opportunity to develop their mathematical abilities.

Thank you for your time and consideration.

Very truly yours,
