INVITATION TO 2023 NATIONAL PHYSICAL EDUCATION CONVENTION OF THE IPHYSED.PH TRAINING AND DEVELOPMENT SERVICES

The IPhysEd.Ph Training and Development Services is inviting teachers and learners to the 2023 National Physical Education Convention with the theme Taking the Next Big Leap: Community Synergy for the Future Physical Education on December 16-18, 2023, at De La Salle Santiago Zobel School, Muntinlupa City.

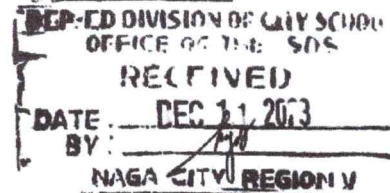

The workshop will provide an opportunity for all the participants to strengthen their familiarity and competencies in implementing the curriculum. Lastly, the convention's overall goal is to bring together many teachers, researchers, and scholars to discuss and share their experiences and research-based findings in all areas of Physical Education and Sports. It will also serve as a premier interdisciplinary forum for academics, practitioners, and educators to present and discuss the most recent advances, trends, concerns, practical difficulties encountered, and solutions implemented in interdisciplinary research.

Participation of learners and teaches from public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order no. 42, s 2023 titled Implementing on the School Calendar and Activities for the SY 2023-2024 and DO 9, s 2005 titled Instituting Measures to Increase Engaged Time-Task and Ensuring Compliance Therewith, and the policy on off-campus activities stated in DO 66. s 2017.

For any concerns and queries regarding the event, interested schools may contact IPhysEd.Ph Training and Development Services at this email: 1physed.ph@gmail.com.

To: DEPED V BICOL REGION
Subject: 2023 National Physical Education Convention
Attachments: DA_s2023_069.pdf; National Physical Education Convention Program of Activities.pdf

Dr. Gilbert T. Sadsad, CESO III
DepEd Regional Director - Region V

Dear Dr. Sadsad,

Greetings!

We would like to express our gratitude to your office for considering our efforts to provide development programs to Physical Education teachers. And so due to our organization's passion and eagerness to reach and benefit more teachers, we decided to reach out to the DepEd Region V for their approval.

The 1PhysEd.Ph Training and Development Services will be organizing the 2023 National Physical Education Convention with the theme, Taking the Next Big Leap: Community Synergy for the Future of Philippine Education on December 16-18, 2023 at De La Salle Santiago Zobel School, Muntinlupa City.

We have invited experts from different agencies with a stake in physical education to keep up-to-date with curricular innovations. The highlight of the coming program is the **DepEd MAT Curriculum** that will be facilitated by **Ms. Marisol Mabazza, DepEd Central Office, Supervising Specialist for MAPEH**. This will enable them to see the significance of their role in the next generation to participate in, promote, and grow through physical education. Aside from that, participants will have the opportunity to experience and learn more about emerging sports, as 1PhysEd.Ph will mainstream sports to the convention to create opportunities for teachers to engage and develop their coaching abilities to provide students with other options for actively engaging in a range of physical activities. We are targeting more participants to be Google- and/or Microsoft-certified educators. The program will provide students with an advanced, meaningful, and personalized learning experience for the 21st century.

We are confident that this event will not only be insightful for the teachers but also improve their skills by providing them with sessions that will address current and relevant issues and concerns of the Physical Education Community.

With this, we are informing your office that the DepEd Central Office provided the convention program that can be accessed using the link below.

DepEd Central Office Advisory No. 069, s. 2023

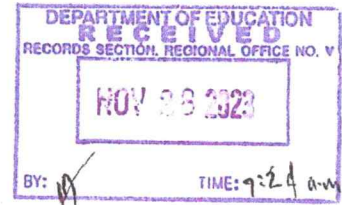

Being one with advancing the professional development of our teachers and school lea appreciate it if you could help us spread the word to Physical Education teachers within you looking forward to seeing you at the event. Thank you and stay safe.

Respectfully,

2023 NPEC Secretariat

**2023 NATIONAL PHYSICAL EDUCATION CONVENTION OF THE 1PHYSED.PH
TRAINING AND DEVELOPMENT SERVICES**

The 1PhysEd.Ph Training and Development Services will be organizing the 2023 National Physical Education Convention with the theme, Taking the Next Big Leap: Community Synergy for the Future of Philippine Physical Education on December 16-18, 2023 at De La Salle Santiago Zobel School, Muntinlupa City.

This annual convention intends to provide a clear perspective of the vital role of Physical Education teachers in facilitating effective and meaningful sports and PE programs as primary contributors to bringing fitness and wellness to learners. This will help PE teachers as classroom influencers to create and make an impact for students to value their participation in regular physical activities through various mediums. Furthermore, the convention's activities aim to improve PE teachers' competence by providing them with sessions that will address current and relevant issues and concerns in the Philippine Physical Education Community.

A day will be allocated for a workshop training on the K to 10 MATATAG Physical Education and Health Curriculum, Senior High School Health Optimizing Physical Education (H.O.P.E.) Curriculum, Special Program for Sports and Tertiary Service PE Physical Activity Towards Fitness and Health (PATHFIT).

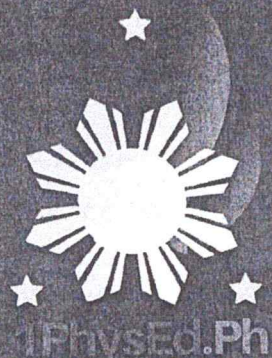

The workshop will provide an opportunity for the participants to strengthen their familiarity and competencies in implementing the curriculum. Lastly, the convention's overall goal is to bring together many teachers, researchers, and scholars to discuss and share their experiences and research-based findings in all areas of Physical Education and Sports. It will also serve as a premier interdisciplinary forum for academics, practitioners, and educators to present and discuss the most recent advances, trends, concerns, practical difficulties encountered, and solutions implemented in interdisciplinary research.

This activity shall adhere to DECS Order No. 28, s. 2001 titled Prohibiting the Commercialization of the DECS Organization Through Endorsements and Accreditation of Goods and Services.

Participation of learners and teachers from public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 22, s. 2023 titled Implementing Guidelines on the School Calendar and Activities for the School Year 2023-2024, and DO 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith, and the policy on off-campus activities stated in DO 66, s. 2017.
