Subject: Invitation to attend an Online Workshop for COMPLIANCE CHECK AND DATA PROTECTION STANDARDS

Dear Sir/Madam,

Greetings!

We invite you, department heads/officers, and the data privacy team to attend our online workshop entitled "Compliance Check and Data Protection Standards".

Section 3D of NPC Circular 18-02 states that Compliance Check refers to the systematic and impartial evaluation of a Personal Information Controller (PIC) or Personal Information Processors (PIP), in whole or any part, process, or aspect thereof, to determine whether activities that involve the processing of personal data are carried out in accordance with the standards mandated by the Data Privacy Act and other issuances by the Commission.

The learning objectives of this training are to enable the agency or private organization to understand what the NPC guidelines are with regard to the conduct of compliance checks, the mode of compliance, and when the conduct of compliance checks will happen. Topics on the General Protection Rule (GDPR) and Data Privacy Law in the Philippines will be discussed by our data privacy managers, PECB ISO/IEC 27701 Lead Auditor, and data privacy expert and how each user can benefit from it.

Failure to Comply with the Compliance Order per Section 12 of NPC Circular 18-02 may be subject to criminal, civil, or administrative penalties, without prejudice to other remedies available under the law.

Section 2 of Circular 21 states that administrative sanctions, fines, or penalties will be imposed for violations of R.A. No. 10173, its Implementing Rules and Regulations (IRR), and other issuances and orders of the Commission. The number of fines will be determined in accordance with the factors enumerated under Section 3. As per Tier 1 of Section 2, administrative fines of 1% to 5% of the annual gross income shall be imposed on any natural or juridical person processing personal data that infringes on the provisions and implementing issuances by the Commission.
