Department of Education

Dear Regional Director Sadsad,

We are pleased to inform you that the University of the Philippines Asian Center will be hosting the **5th Biennial International Conference of the Consortium for Southeast Asia Studies in Asia (SEASIA)**, which will be held on July 18-20, 2024, at the GT Toyota Asian Center and School of Economics at UP Diliman, Quezon City. The theme of the conference is "De/Centering Southeast Asia," highlighting the diverse and complex experiences, histories, and cultures of region in order to center Southeast Asian scholarship within Asia and setting dominant and marginalized voices in a dialogue that decenters stable structures of knowledge production to make way for new ones.

We would like to **invite you and your colleagues to be part of this three-day event as participants in the Conference**, especially given your institution's interest in Southeast Asian studies. We believe that the paper presentations by about 300 scholars from the region and beyond, as well as the Opening Remarks of the Guest of Honor, University of the Philippines Professor Emeritus Ma. Serena Diokno, Ph.D., and the Keynote Lectures from Ramon Pagayon Santos, Ph.D. (National Artist for Music) and Prof. Farid Syed Alatas, Ph.D. (leading theorist in indigenous knowledge production), will be valuable resources for teachers in Senior High School, especially those teaching subjects in social sciences and the humanities such as: Understanding Culture, Society and Politics, Contemporary Philippine Arts from the Regions, Komunikasyon at Pananaliksik sa Wika at Kultura, Media Information Literacy, Disaster Readiness and Risk Reduction.

The full concept note, Conference schedule (tentative), registration details, and signed invitation letter are attached for your reference. This information can also be viewed on our website: [seasia2024.upd.edu.ph](https://seasia2024.upd.edu.ph).

For any inquiries, please do not hesitate to contact our Conference Coordinator, Jeselle Laguna, at [seasia2024.upd@up.edu.ph](mailto:seasia2024.upd@up.edu.ph) or +639623771709.

Thank you very much.
