Greetings from Gokongwei Brothers Foundation (GBF)!

We extend our gratitude to your esteemed office for your partnership in our collective goal of providing quality education in our country. Your consistent support and collaboration are invaluable, especially through your office advisories that encourage our educators to participate in our programs aimed at uplifting the quality of STEM Education and building competencies for learners.

We are honored to present the upcoming GBF STEM Collab Webinar Series on **Remediation for Struggling Learners**. Sessions will be live streamed at 9:00 A.M. via the [GBF Facebook Page](#) with the following topics:

- **May 11:** How to do Math Remediation
- **May 18:** How to do Reading Remediation
- **May 24:** How to Facilitate a Community-wide Remediation Program

With this, we would like to continuously request your good office for the following:

- to disseminate information and encourage School Heads, STEM Teachers, and Club Advisers from Public and Private Elementary and Secondary Schools to join the GBF STEM Collab FB Community and attend the learning sessions,
- to endorse the GBF STEM Collab 2024 Webinars to DepEd offices under your network,
- to promote GBF STEM Collab to your constituents through your information channels, and
- to co-livestream our webinars on your official Facebook Page.

Those interested may join our Community here: [GBF STEM Collab Community | Facebook](#) and sign-up for our free webinars here: <https://m.me/STEMCollabBestie>.

Thank you so much for this opportunity to work together and build the future through education.
