Dear Dr. Sadsad:

Greetings!

The Bicol University Center for Teaching Excellence is conducting the Bicol Training on Global Citizenship Education -Batch 5 on June 26-29, 2024 (Virtual Sessions) and July 5-6, 2024 (Onsite Sessions). The training uses the hyflex modality and features international and local UNESCO-APCEIU-certified trainers and resource persons. Its objectives are as follows:

1. Enhance the teachers' understanding and appreciation of the key concepts and principles of GCED amidst the COVID-19 pandemic
2. Provide participants with specific strategies to integrate GCED into the curriculum or the lessons
3. Provide participants with exemplars for their own school-based or community-based GCED project
4. Expand the local network of teachers and preservice teachers for the promotion of GCED
5. Disseminate the contextualized GCED instructional resources (which are outputs of the GCED Scale-Up Project)
6. Mentor the teachers on GCED and the contextualized GCED-enriched lessons and instructional materials

This training program is a UNESCO-APCEIU recognized capacity-building activity for teachers, school heads, and preservice teachers as part of the project, which was started by the undersigned in 2021 as part of her capstone project for her completed UNESCO-APCEIU Global Workshop Mentorship Program and GCED-Scale-UP Project Grant.

In connection with this, I respectfully request the endorsement of the activity to the Bicolano teachers and school heads. We believe this training program will enhance their competencies as global citizenship education advocates, which can favorably inform their practices. Registration is FREE. Interested teachers and school heads may register via this link: <https://forms.gle/aRRxpRZHr9h8yUgN8>.

For more information, interested teachers may send an email to bu-cte@bicol-u.edu.ph or rrobercasio@bicol-u.edu.ph using the subject: GCED Regional Training.

I anticipate with gratitude your favorable action on this request. Thank you, and more power.

Very truly yours,

REBECCA ROSARIO O. BERCASIO, PhD.
