Dear Sir/Madam:

A Perfectly Clear Sky to you!

The Jhayron Events and Management Services (JEMS) would like to request for a *DepEd Advisory / Endorsement Letter for SY 2024 – 2025*.

The educational industry paving the way to introducing state-of-the art and interactive methodologies in the field of science, environment and astronomy, the company was able to raise awareness and appreciation among its target clientele and the community as well. This can be a valuable addition to other aspects of the teaching/learning process which could help the students synthesize formerly disparate pieces of information into a more holistic understanding.

JEMS is proud to introduce our **Comprehensive Astronomical and Environmental Awareness Program** which includes the following activities:

- Activity 1 Digital Mobile Planetarium
- Activity 2 Solar Viewing
- Activity 3 Science Fair Adventure - The Gallery & Interactive Exhibit
- Activity 4 Spacelab
- Activity 5 Workshop

In line with this, we will be conducting a school caravan nationwide. A minimal amount will be collected among pupils/students on voluntary basis to cover its operating expenses. Certain percentage coming from the sales will be given and shall serve as a tangible and sustainable income generating project (IGP) among schools, organizations or clubs who will avail of the said services.

With your valuable support, we can achieve our goal in raising nationwide awareness and appreciation of the Environment and Astronomy through JEMS.

Attached herewith is our DepEd Advisory A_s2024_055.pdf (deped.gov.ph) for your perusal and reference needed for the granting of Endorsement Letter.

For more information, please do not hesitate to contact us at 0917-837-5252 / 0917-255-5501 / 02-84637726 or may also email us at jhayronevents@gmail.com jhanessflores@gmail.com

We look forward to your favorable response.

COMPREHENSIVE ASTRONOMICAL AND ENVIRONMENTAL AWARENESS PROGRAM
FOR THE SCHOOL YEAR 2024-2025

The Jhayron Events Management Services (JEMS) will be conducting a school caravan nationwide through the Comprehensive Astronomical and Environmental Awareness Program for School Year 2024-2025.

The activity aims to

1. promote awareness and consciousness on the topic of Astronomy, Climate Change, Global Warming, and other aspects of Science;
2. provide useful information to students and the public and make them cognizant of the effects of Climate Change; and
3. inculcate the values of sustainability and management of the natural resources.

The activity includes the following:

Activity	Description
1. Digital Mobile Planetarium	The participants can experience the stunning infinite beauty of the universe through real-time space simulation and celestial navigation.
2. Solar Viewing	The participants can experience a first-hand viewing of the sun using a Solar Telescope equipped with H-Alpha filters.
3. Science Fair Adventure-The Gallery and Interactive Exhibit	The display will showcase a variety of art exhibits and other amazing work arts that deal with Biological Diversity, Flora and Fauna Species, Astronomical Facts and Breakthroughs, optical illusions, Proper Solid Waste Management, the Power of 3Rs, and the Life span of common Garbage Wastes.
4. Spacelab	The participants can interact and connect with fictional characters through an interactive live show presentation and discussion.
5. Workshop	The participants can experience the use of Chroma Key that transports the students across time and space.

Participation of learners and teachers from public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 009, s. 2024 titled Implementing Guidelines on the School Calendar and Activities for the School Year 2024-2025 and DO 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017.
